

The OFI Monthly

◆December 2025◆

As the year begins to wind down and the holiday season approaches, we want to take a moment to share our appreciation for each of you. This time of year offers a meaningful opportunity to pause, reflect, and reconnect with the purpose that drives our work every day. Whether you are supporting youth and families directly, partnering with us in the field, or championing our mission from afar, your commitment continues to make a real impact.

We're excited to welcome Emily Krieger to our team as our new Implementation Support Specialist! Emily will be partnering closely with sites and organizations to support the effective use of the TFTC app, helping ensure teams feel confident, equipped, and empowered in their implementation journey. Her expertise, enthusiasm, and commitment to meaningful support make her a wonderful addition to our work. Please join us in welcoming Emily to the team!

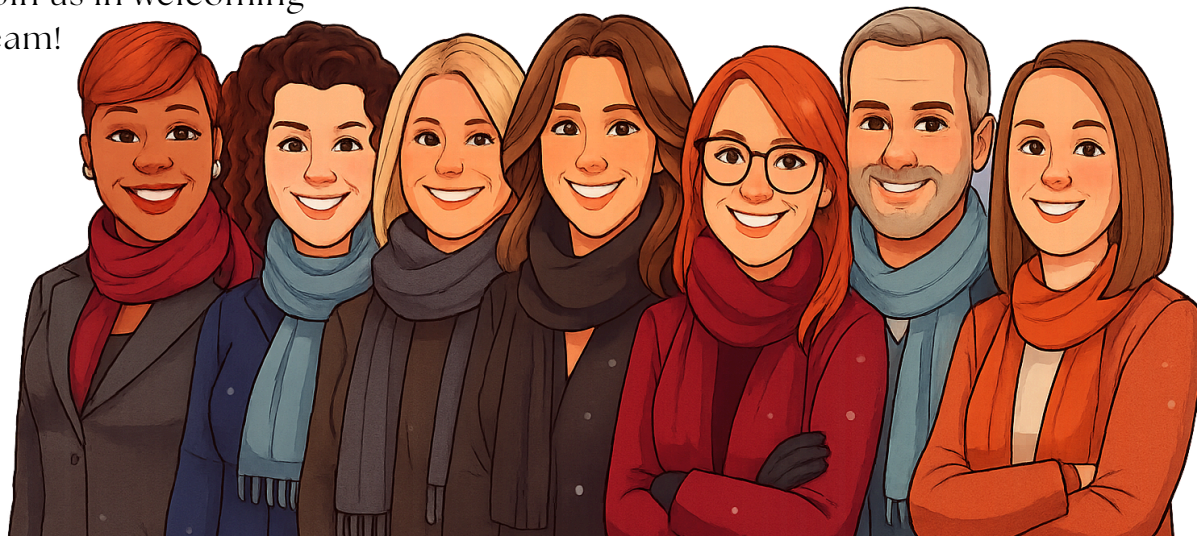

We're especially excited for what's ahead. In the coming weeks, we'll be sharing important updates about upcoming training opportunities, new program offerings, and resources designed to support your teams and strengthen the work happening across your organization. We have been hard at work refining content, developing tools, and preparing new ways to help you bring hope-centered, evidence-informed practices to life.

Keep an eye on your inbox—more details are on the way soon!

Wishing you warmth, rest, and joy as we step into this holiday season together.

With gratitude,

Mindy Kiser & Team
