
The OFI Monthly

◆ September 2025 ◆

Welcome to The OFI Monthly, our brand new newsletter!

Dear Friends,

I'm thrilled to welcome you to the very first edition of our monthly newsletter—a new way for us to connect, share, and grow together.

Each month, we'll bring you updates from our programs, inspiring stories from the field, and practical tools you can use to strengthen connections and create lasting impact in your community.

At Omni Family Institute, our work is fueled by the belief that change happens when we come together—listening, learning, and supporting one another. This newsletter is one more way to keep that conversation going.

You can expect to find:

- Highlights of the work happening on the ground
- Agency announcements
- Opportunities to get involved and make a difference

Thank you for being part of our community from day one of this new journey. I can't wait to see how this space will grow and deepen our connection.

Until Everyone Thrives,

Mindy Kiser & Team

President & Executive Director

Exciting Announcement!

If you haven't already heard, Omni Family Institute has launched our TFTC Mobile App!

The mobile app is designed to empower caregivers, equip agencies, and enhance lives through technology and real-time access to interventions and support.

The app puts 30 years' worth of evidence-based and research-driven tools in the palm of your caregiver's hands!

Staff have access to a coach's dashboard to track data that is input by caregivers in a child-specific profile, allowing them to provide interventions for behaviors and needs in a proactive and truly innovative manner.

The best part? The caregiver coaching form is embedded in the app- allowing caregivers to input data before coaching sessions, allowing the opportunity to spend time looking forward when in coaching sessions!

[Register for an app demo here!](#)

In August, we welcomed the following agencies to our Omni Family!

Together Facing The Challenge Partners

- GoodWill (TN)
- Porter- Leath (TN)
- TN DCS (TN)
- Harmony House (TN)
